Dear Sir or Madam:

Attached is the South Carolina BMP Courtesy Exam Report for May and June 2023. Thirteen sites were closed out over the last two months. All of these sites were found to be in compliance with applicable BMPs and no water quality impacts resulted from these forestry operations. In addition to these sites, BMP Foresters also completed 11 inspections for the BMP compliance and implementation monitoring study that we complete every three years.

Please contact me or the appropriate BMP Forester if you need further information concerning this report. I can be reached at (803)667-0815 or hwelch@scfc.gov. Thank you for your interest in our BMP program.

Sincerely,
